C2 | Crunch The Code Overview

Welcome to Code Crunch!

- Code Crunch is your go-to platform for **collaboration**, **networking**, and hands-on **projects**. We welcome freshmen, graduates, and alumni from any university, regardless of major or experience level.
- Join us virtually via **Zoom** or **in person** at Florida International University. Together, we'll break down barriers in technology, learn through immersive workshops, and build innovative solutions.

Meet the E-Board

- **President:** Brian Bazurto
- **Vice President:** Amilcar Pena
- **Treasurer:** Bryan Garcia
- **Marketing/Logistics:** Henry Cruz
- **Logistics:** Jason Liang

Tech Leads:

| • Arnold Miranda | • Mariana Phelan |
| • Daniel Hernandez | • Sara Salvatierra |
| • Gabriel Nogueras | • Thierry Laguerre |

Our Mission & Vision

Mission:

- Equip students with the technical skills and professional connections needed to excel in technical interviews and beyond
- Provide a platform where students can collaborate, learn, and grow professionally while emphasizing the importance of diversity and inclusion in the tech industry

Vision:

- We strive to bridge the gap between academia and the tech industry.
- Our vision is to empower students from all backgrounds to achieve their full potential, foster an inclusive tech community, and build a strong, supportive alumni network.

What We Offer

- Data structures and Algorithms in Python
- Technical Prep: Weekly sessions to master real-life interview problems.
- Hackathons: Collaborate on innovative projects in a competitive setting.
- Hands-On Workshops: Topics include Python, Java, React, and more.
- Panel Discussions: Industry leaders from tech giants and startups share insights.
- Global Access: Code Crunch Global launches in October for worldwide participation!

Welcome to Code Crunch

Code Crunch is bridging global innovation with local engagement, offering a dynamic platform open to all university students, regardless of major—no prior experience required! Freshmen, graduates, and alumni from any university are welcome 🌍. Join us to break down barriers in technology, participate in hands-on coding workshops, collaborate on community-driven projects, and prepare for the future through immersive virtual and on-campus experiences.

Whether you're joining us via our virtual Zoom sessions from anywhere in the world or in person right here at Florida International University, we provide the resources, mentorship, and community you need to grow as a coder and innovator.

Let's innovate together! Built and led by students, for students.

Become a member

Be Part of the Code Crunch Community

1. RSVP for sessions at go.fiu.edu/codecrunch.
2. Follow us on LinkedIn, Instagram, and Discord for updates.
3. Become a member using the QR code on this slide.
4. Attend workshops, participate in events, and join our leadership team.

Together, we innovate and grow.

What we Offer: C2 Sessions

What to Expect

- **Interactive Learning:**
 - Hands-on coding exercises during each session
 - Data structures and algorithm theory and exercises
 - Real-world examples to connect theory with practical applications
- **Led by Experts:**
 - **Prof. Kianush** will lead some of the sessions, sharing his Python expertise and tips for success.
 - Other experienced members and mentors will also contribute to create a dynamic learning environment.

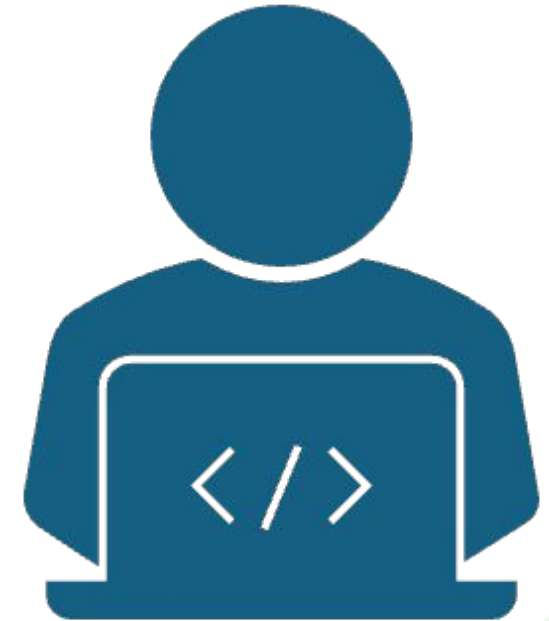

Topics Covered: C1 & C2

- **Python Fundamentals**
- **Linked Lists**
- **Sets and Dictionaries**
- **Strings and Arrays**
- **Stacks and Queues**
- **Binary Trees**
- **Binary Search Trees (BST)**
- **Graphs**
- **Dynamic Programming**
- **Mock Interviews**

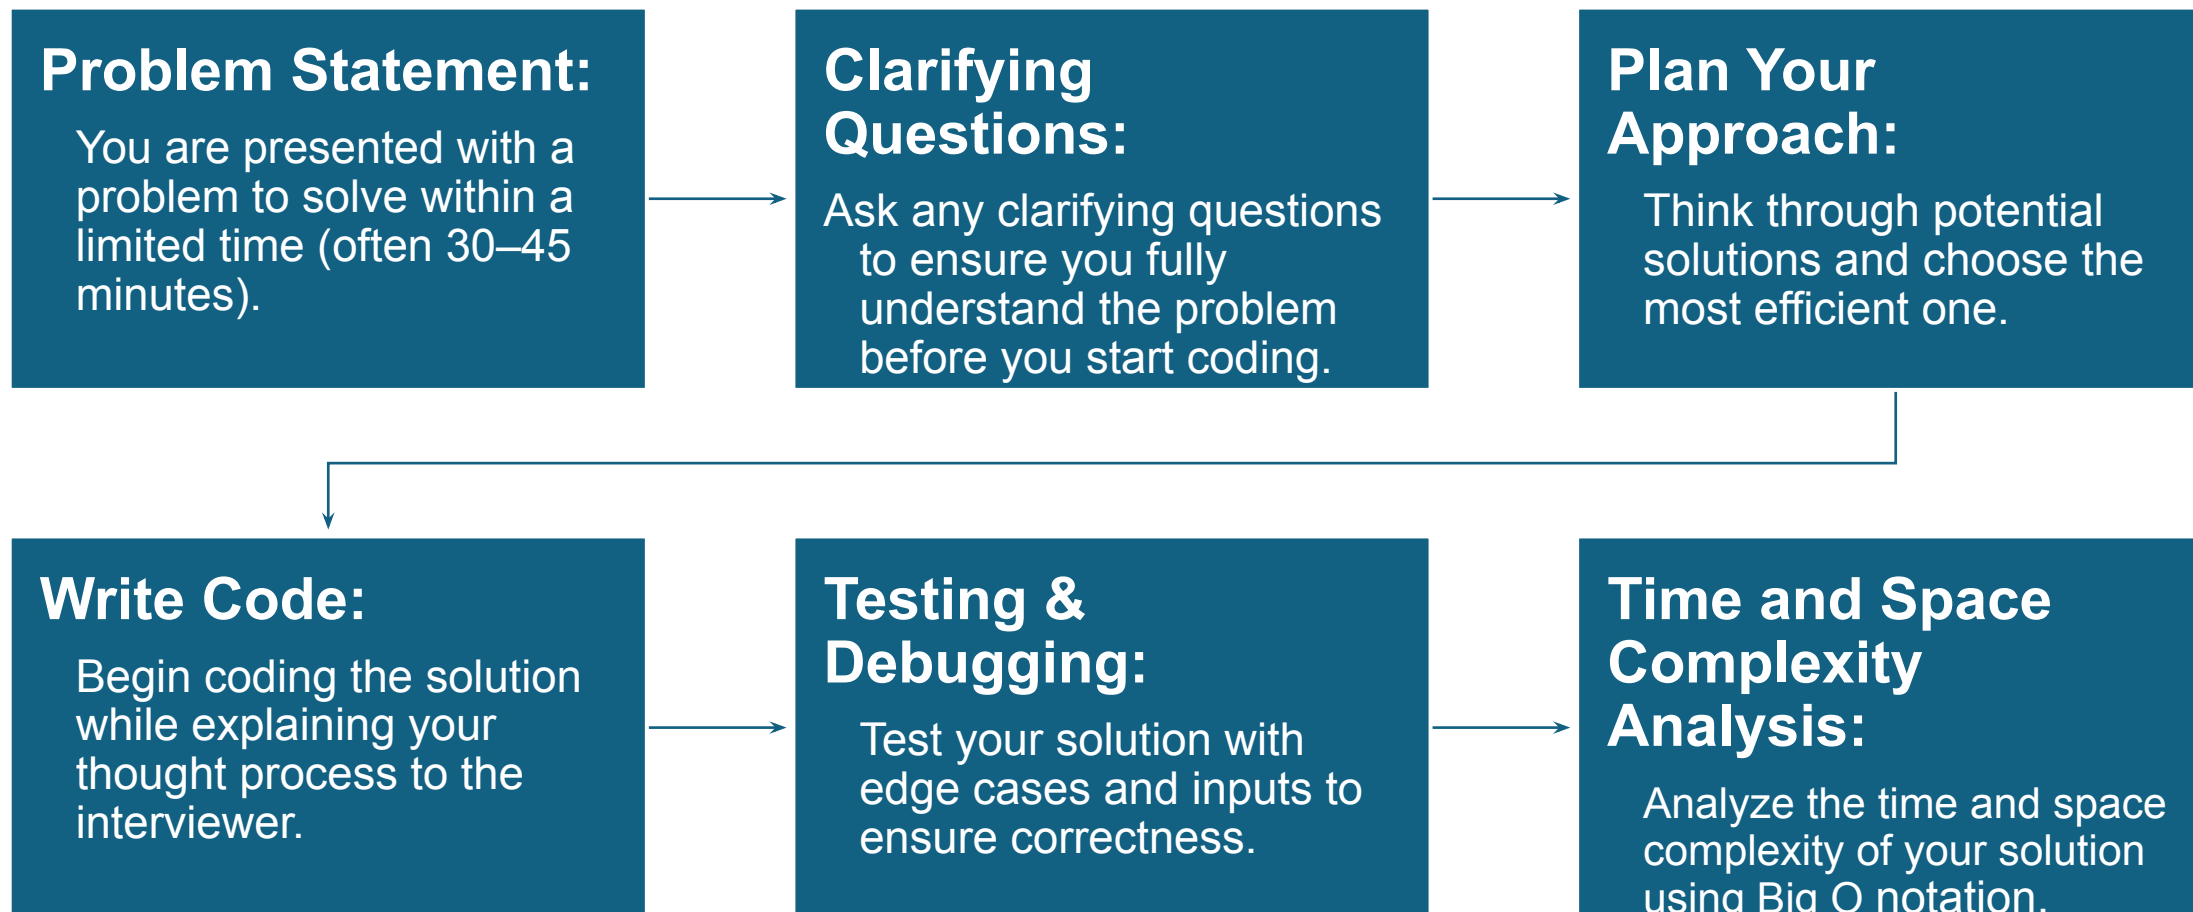

C2 Sessions: Technical Interview

- A technical interview evaluates problem-solving, coding, and algorithmic skills for software engineering roles.
- Interviewers assess your logical thinking, code efficiency, and ability to communicate your approach.
- You're expected to write clean, optimal code while explaining your thought process clearly.

C2 | Technical Interview Process

Let's Innovate Together!

Thank you for joining us on this exciting journey!

Code Crunch is redefining tech education and fostering inclusivity in technology. Let's collaborate, innovate, and create a brighter future together.

RSVP for sessions today. Follow us on social media.
